

Dear Chorus,

We have an exciting new plan for the year, leading up to next year's international contest!

We as a Music team will be offering a lesson to every single person in the chorus via zoom. This has worked well in the Sound of the Rockies, but it just took some major planning on my part to get a situation where I could do it with Velvet Hills.

On zoom lesson nights, we will meet with just six people individually on zoom to help YOU find YOUR best sound! (The rest of the chorus will NOT meet on Zoom lesson nights.)

Here is the schedule:
