

MAXWELL HOUSE

Bup Bup's - everyone on lower notes      Forward like "beep"  
First two notes - same pitches      Higher on top note  
Keep tempo until "cup, that's why we're" --- hold and grow each one

GREAT RACE

Need more consonants to make it understandable  
1 - "brew" - forward  
liP siP tiP decaFF  
9 - L's "tank" - higher pitch  
14 - "leh-ter-rip" overdo RR's  
31 "blend" grow w/ ea. chord, extend last one full value EH----ND  
38 - L's - "my friend" - not so wide on MY - take a high breath  
Look like Really Caffeinated!

GOOD MORNING ---- Ham it up!

First chord - be ready

YOUNG & FOOLISH

"foolish" - doesn't mean "stupid"      Outside foot slightly forward  
Posture every time or sound will be distorted in performance  
Buoyant, sparkly, positive  
1 - "we're" - no pounce ( babies born with perfect placement)  
2 - "of" - not wide outside  
24 - "fly" - keep it spinning      Spin ALL softs  
58 - BR - not so loud on tiddly

TAYLOR - continual sound behind solo

PLACE IN CHOIR - finish "now" & "wire"

Take out next to last chorus - right into clapping

COFFEE IN CARDBOARD - Transport mind to Broadway

AMERICA THE BEAUT. - few ebb and flows from director

MAKE SOMEONE HAPPY - Need to stay in key

ON A WONDERFUL DAY - choppy, phrase endings      "day" - DEH--EE      More stamina this song!!!

Pick the key blown      "yellow balloons" "even the birdies"

56 - Triplet (feel STRAW-BER-RY) - still connected

85 - accelerate tempos

Former Metronome Markings were 154 (m 85) and 158 (m 89)

Funny song - needs to be crazier

WHEN I SING - key change - DO IT!      Look like this song is easy.

IT IS WELL - OO before "when"      Flow phrases with feeling.

STAR-SPANGLED - "light" needs T      Breathe after "bombs bursting in air"

GOD BLESS AMERICA

6 - T, BR, BS - carry over      8 - start softer

MountainS PrairieS OceanS      21 - BS "home" - spin it

BATTLE HYMN - SING IN f#

21 - BR & BS - octave      45 - BR - don't outsing BS's

56 - T's - go higher on F natural      59 - NB after "on and on's"
